

Commercial Aspects of NERC Frequency Data Collection Project

- Commitment of at least 5 years
- Meet reliability/calibration requirements
- Agreement on Release/Uses of Data

Questions

Can PM device meet FDCA technical requirements?

Would there be restrictions on releasing data to NERC FDCA vendors?

Who could act as contact/liaison for NERC FDCA vendors?

Is there a central contact point who has access to all installation?

Who owns/controls access to the PM devices?
